

High, Low, Buffalo.

High, Low, Buffalo.

2806 Speer Blvd
Denver, CO 80211

About the Firm

High, Low, Buffalo creates architecture that stirs souls and elevates everyday life. Focusing on bespoke single-family homes uniquely designed for their site, we passionately stretch boundaries, exploring new ideas that spark beauty, unlock potential, and create experiences of joy and serenity.

Parking Information

You may park in the visitor spaces located in the parking courtyard off the alley or use street parking on 29th or Firth Court.

Accessibility Information

Enter the building from the alley off 29th Street — do not attempt entry from Speer. Once inside the building lobby, head down the lobby stairs and enter our office through the doors on your left. Stairs are required to access this office.
